PARKSIDE

THIS IS PARKSIDE.

In our neighborhood, the spirit of community runs deep. Back in the day, this corner was the heart of Overtown. Howard Service Station teemed with industrious Sarasotans and elbow grease. Today, that same sense of industry and life fuel the area. An area to fill your cup, fill your plate, and fill your soul. Parkside pays homage to the spirit of hard work, service, and community this corner was founded on. Come one, come all.

Come get your fill.
